

Leeladhar P. Kachroo

Managing Director of Business Affairs & Financial Forensics

Mr. Kachroo manages business affairs and deploys his extensive finance experience to lead KLS's forensic finance team in financial fraud matters and investigations. He additionally supervises outside forensic experts KLS may recruit for KLS or other litigation.

Mr. Kachroo has a Bachelors degree from MIT and over 25 years of experience in finance and fund management. His overall experience, records and achievements are in the areas of Funds Management, Equity Research, Business Analysis and Finance.

Mr. Kachroo began his career in 1980 with Royal Bank of Canada in various positions of Financial Control and Corporate Finance, Assets/Liability Management, Interest Rate Options Trading/Sale. He went on to become Head of Global Capital Markets, Royal Bank of Canada/Dominion securities in 1994, with the responsibility of all trading and marketing interests, derivative products globally, and all structured products (including equity derivatives and commodity derivatives), asset backed securities and credit derivatives. He served as Director of RBC Dominion Securities and member of the Operating Committee of RBC DS Global Markets.

In 1997, Mr. Kachroo joined ABN AMRO as Executive Vice President & Regional Treasurer for North America. He successfully led the operation for trading and sales of all money market, foreign exchange and derivative products in North and South America, including asset/liability management and liquidity management. He also led all e-commerce initiatives and treasury products and generated revenue of US \$250 million. He was also a member of the North America Wholesale Banking Executive Committee.

Mr. Kachroo is currently building charity hospitals, trading Indian markets, advising companies on becoming global through acquisitions, and managing small funds.
